Art. 1

PULIRE 2009, the International Show of Cleaning and Hygiene Industry in Italy is promoted by AfidampFAB (the association of Italian manufacturers of machines, equipment and products for professional cleaning), the aim of which is to heighten awareness of the problems of cleaning and sanitation of an ever-growing number of users and operators in the sector.

The General Secretariat of the exhibition has been committed to:

AFIDAMP SERVIZI SRL

via Felice Casati, 32 - 20124 Milano

Tel. +39 02 6744581 - Fax. +39 02 66712299 e-mail: info@pulire-it.com

Art. 2

PULIRE 2009 will take place in Verona in halls 6, 7a and 7b at the Verona Trade Fair Centre (Viale del Lavoro, 8) on the 9th, 10th, 11th and 12th June. Admission to PULIRE 2009 will be limited to operators in possession of invitation cards. Cards may also be collected from the reception desk upon registration.

Art. 3

AfidampFAB reserves the unconditional right to modify the location, duration, start and/or finish date and exhibition visiting hours, incurring no compensation rights or rights to refund for participants of any kind.

Art. 4

Should PULIRE 2009 be withdrawn, by reason of force major or circumstances beyond the control of the organisers (e.g. strike, revolt, natural disaster, etc...), AFIDAMP SERVIZI, having fulfilled all obligations towards third parties and covered any organisational expenses incurred, will divide the remaining sum between the Exhibitors, but may not be sued for damages of any kind.

ADMISSIONS

Art. 5

All legally represented Italian and foreign manufacturing and distribution companies and their Representatives, Public Associations and other categories of production, distribution and related service companies operating in the professional cleaning sector may be admitted to the show.

a) Equipment, b) Machinery, c) Components, d) Chemical products, e) Consumer products, f) Safety products, g) Service companies, h) Private and Public Associations and the Technical Press.

Art. 6

We define "co-exhibitors": trademark directly shared by the main exhibitor and/or foreign trademark exclusively represented by the main exhibitor.

Art. 7

Exhibitors who intend to participate in Pulire 2009 must return the fully completed Application Form which must be signed in the three scheduled spaces by the legal representative, to the General Secretariat. Payments have to be settled as indicated in the Application Form as stated in article 24.

Art. 8

Application forms will be accepted as long as there is exhibition space available and only if accompanied by a payment of the first deposit + the registration fee + VAT.

Art. 9

The AFIDAMP SERVIZI Board of Directors, by expressed order of AfidampFAB, reserves the right to reject exhibitor Applications to participate in PULIRE 2009 should it believe that the activity of the company in question does not correspond with the specialisation of the exhibition. AFIDAMP SERVIZI is under no obligation to offer any form of justification for decisions to this effect, which are not open to appeal.

It is expressly forbidden to behave or act so as to cause prejudice, disturbance or damage that may have an adverse effect on the regular carrying out of the exhibition. In particular the exhibition of products that violate industrial property rights of other exhibitors or unfair competition causing damages to other exhibitors in any way is not permitted. The trade fair will provide for the removal and return of any exhibited merchandise violating the above regulations at the exhibitor's expense.

Art. 10

The presentation of the "Application Form" involves the exhibitor to totally accept the present General Regulations and Verona Fiere Technical Regulation (available on line at www.pulire-it.com), as well as being, also subsequently, obliged to comply with all the issued standards and provisions, for the organization and good functioning of the Exhibition.

The signature on the Application Form, added by the holder or by the legal representative, binds the exhibiting company by rights and constitutes, for the applicant, contractual proposal of participation.

RIGHT OF WITHDRAWAL Art. 11

Whereas legitimate and substantiate impossibility might not allow the Exhibitor to take part at the show or whereas he applied for a reduction of the assigned stand, it shall be possible to withdraw from the Agreement presenting application for, specifying the renunciation reasons by means of a written statement (letter, fax, e-mail).

Depending on the receiving date of the above-mentioned application for cancellation, Afidamp Servizi shall retain, as valuable consideration of the withdrawal, all the amounts paid that constitute premium under art.1386 Italian Civil Code, observing the following procedures:

- Registration fee, if the application for cancellation will be received by the 10th of September 2008

- Registration fee + all the amount paid, if the application for cancellation will be received later than the 10th of September 2008. Whereas the Exhibitor has booked a shell scheme stand (standard or top), the cost of the fitting will be withdrawn only if the application for cancellation will be received within the expiry date of the payment of balance.

Notwithstanding the above, should communication of withdrawal from participation fail to take place by the end of 31st of March 2009, in addition to the withholding of the payment of the entire sum, the Exhibitor will be obliged to compensate for any damages caused to AFIDAMP SERVIZI.

Art. 12

The General Secretariat reserves the right to exercise its own final judgement at any time, and therefore also during the Trade Fair Show, in the event that the floor plan of the same undergoes changes and in any other case, either of modification and/or of reduction of the pitch previously made available, and to substitute it with alternative space, in exhibition pitches differing from or distant from the pitch originally chosen, if it is deemed necessary by the former. Should any one of the above cases take place, the participant has no rights to anything other than any necessary adjustment in the sum owing.

APPLICATION FORM AND STAND SELECTION

Art. 13

The criteria for stand selection are as follows:

- 1) exhibitors interested in participating in PULIRE 2009 must send the Application Form and the plan of the trade fair hall, with the chosen position clearly marked, to AFIDAMP SERVIZI. Exhibitors who have already participated in the previous trade fair will be given first priority in the choice of stand. Should two exhibitors choose the same position for their stand, preference will be given to the exhibitor whose request arrived first.
- 2) In order to acquire precedence for stand allocation, the Exhibitor may transmit a copy of the Application Form with a copy of transfer slip, via fax in advance to AFIDAMP SERVIZI, before sending the originals.
- 3) Availability permitting, the Exhibitor will be given the opportunity to choose three positions for the stand, indicating the chosen positions by numbering 1,2,3 and sending the plan via fax to AFIDAMP SERVIZI. Should another exhibitor have chosen the same position for their stand, the allocation of the stand will be decided taking into consideration the date and time of the fax transmission indicating the stand.
- 4) For the right Exhibition inscription it is necessary to settle (upon receipt of the invoice) a deposit of 20% of the total stand balance plus VAT, along with the Inscription Fee plus VAT, along with the Registration Fee for each CO-EXHIBITORS plus VAT. If within 7 days of receipt of the Invoice, the balance of the Registration Fee, plus the 20% deposit of the total cost of the stand has not been transferred to AFIDAMP SERVIZI bank account, the registration will be considered null and the stands chosen will be offered to other applicants.

STAND DIMENSIONS AND CHARACTERISTICS

Art. 14

Given that the minimum stand dimensions are 16 sq.m (4,00 x 4,00), Exhibitors should note that these stands have only one open side.

Art. 15

The Exhibitor may request two kinds of FITTING: STANDARD or TOP or the SPACE ONLY to be set-up independently. The respective fees are indicated in the Application Form.

Art. 16

Stand with SPACE ONLY must be carried out according to following regulations:

- maximum height of dividing walls (lateral and rear) is 4.00 m;
- individual structures may be created within to stand but must not exceed a maximum height of 6.00 m, and only if positioned in the centre of the stand area and if they occupy an area of no more than precisely 30% of the front and 30% of the side of the stand in width and depth. In the case of stands that are up against the wall of the hall only, such structures may be pushed back towards or rest against the back wall, but must nevertheless be in a central position in relation to the front of the stand.
- Stands built on elevations must include access ramps for people with disabilities (see Technical Regulations of Verona Fiere). For Pulire 2009 Exhibition, in a special dispensation of art. 2 of Verona Fiere Technical Regulations, it is allowed the construction of stand with a second floor. The construction of such stand requires the prior written approval given by Afidamp Servizi and Verona Fiere Technical Department. For this purpose a "Stand Construction Plan" must be submitted by the Exhibitor not later than 90 days before the opening date of the exhibition. The building of mezzanine structures and/or special set-ups must satisfy the regulations sanctioned in the Technical Regulations of Verona Fiere. The construction of a stand with an elevated area is subjected to a surcharge of 50% of the total stand cost per square meter to be applied only to the elevated surface area. Permits granted by the Organizer and actions undertaken by itself shall not give rise to any liability for whatever reason, such liability remaining in all the cases with the Exhibitor himself.

Art. 17

Exhibitor can choose between two kinds of FITTING: STANDARD and TOP.

The **STANDARD FITTING** has the following characteristics:

- carpeting
- hardwall panels of a height of 2,50 m
- Metal truss on the open sides
- Fascia panel with company name on the metal truss
- Electrical system:
 - n°1 fuse board
 - n°1 socket (every 16 sq.m)
 - n°4 100W spotlights (every 16 sq.m)
- lockable storage: measures change according to stand dimensions
- furniture: items change according to stand dimensions.

The **TOP FITTING** has the following characteristics:

- Carpet – colour can be chosen by the exhibitor
- Double panel walls h 2,90 m - colour can be chosen by the exhibitor
- Fascia panel with company name on the upper beam
- Company name on the column
- Electrical system:
 - n°1 fuse board
 - n°1 socket (every 16 sq.m)
 - n°2 flush dichroic spotlights (every 16 sq.m)
 - n°4 100W track spotlights (every 16 sq.m)
- Lockable storage h 2,50m: measures change according to stand dimensions
- Furniture: items change according to stand dimensions.

For further information look at Pulire web site (www.pulire-it.com).

Art. 18

Fire-resistant materials must be used for the total or partial set-up of stands, as stated in the certificate issued by the Ministry of the Interior – General Management of the civil protection and fire service – Capannelle, Rome. Materials not holding this certificate may be used, neither for total nor for partial covering of the stand. As regards regulations relating to safety, wiring, transport of materials and use of the pavilion, the Exhibitor and set-up staff should adhere to the Verona Fiere technical Regulations.

Art. 19

The project (floor plan and upright projection, with dimensions) for all set-ups, both total and partial, to be carried out by the Exhibitor, must be sent, by fax or post, to AFIDAMP SERVIZI the "Stand Construction Plans" by 90 days before the opening date of the exhibition and only upon written approval by Afidamp Servizi works can start. For all set-ups, both total and partial, to be carried out by the Exhibitor it will be applied a surcharge of Euro 50,00 as contribution for review and conformity evaluation of the "Stand Construction Plan".

In case of the Exhibitor wants a third party to build up his stand it is obvious that each relationship is among Afidamp Servizi and the Exhibitor, for that purpose will not be examined those stand construction plans given to the builder.

The General Secretariat reserves the right to change and/or to have any preparations carried out without approval or not conforming to the approved project removed; in any case the exhibitor must pay, as a penalty, the sum of Euro 250 per every sq.m exhibited that exceeds the indicated heights over, except in cases where damages exceed this amount.

PITCH FEES

Art. 20

The fixed fees for SPACE ONLY and STANDARD/TOP FITTINGS are displayed in the Application Form. Those companies that will give their adhesion to the Organizer Secretariat within the 30th of September 2008, will have the opportunity of taking a space of a special rate that it means they will pay the basis rate applied on each sq.m. On this rate will be calculated the supplementary rates based on the surface characteristics.

Those Exhibitors who also host one or more co-exhibitors, must, in addition, pay a "Registration Fee" of Euro 250,00 plus VAT for each co-exhibitors. This fee is inclusive of: official catalogue and PULIRE 2009 web site inscription, no 1 exhibitor entrance badge, no 1 car parking ticket. In case of, during the Venue, a co-exhibitors it is known not being registered, the main exhibitor shall pay a sum equal to that of Enrolment i.e. Euro 400,00 plus VAT per co-exhibitors not registered.

For those companies that have a two floors stand it will be applied a surcharge of 50% for each sq.m of the total stand cost. Such a surcharge will be applied only on the elevated surface.

Art. 21

The benefits of "Afidamp Members" tariffs are reserved for:

- 1) Italian Companies which have paid the annual associate fees for 2008 and 2009
- 2) Italian Companies which have applied to become associates for the first time and have been officially accepted by the Board of Directors no later than May 2009.

Art. 22

Should supplementary sockets, lights and furnishing, telephone lines and other services be required, costs will be payable by and therefore, debited to the Exhibitors.

Art. 23

Fees include: electricity connection and supply (1.5 Kwh per 16 sq.m), security service during hours of closure, cleaning of the communal areas, final disposal of waste materials, insertion of the Exhibitor's details in the PULIRE 2009 catalogue and a sign with the name of the exhibiting company and the number of the stand. Fees also include: parking according to the space reserved; insurance for General Civil Responsibility and insurance against fire, lightning and/or explosion but it excludes theft.

PAYMENT

Art. 24

Payments must take place, as explained in the Application Form, according to the following conditions:

- Payment of 20,00 Euro/sq.m + VAT as deposit for 2007 booth Reconfirmation, upon confirmation of the area with the Application Form, after receiving the invoice. The company is held to carry out the payment within 7 days, expired such term the reserved space will be considered available. Such facility is valid only for the reconfirmations reached within 30th November 2007.
- Payment of the 1st deposit of 20% of the total stand cost + Registration Fee + VAT upon registration. Exhibitors of PULIRE 2007, who subscribed within the 30th of November 2007, should submit the payment of the 1st deposit within 31st March 2008 (upon receipt of the invoice).
- Payment of the 2nd deposit of 20% of the total stand cost + VAT by the 30th of September 2008
- Payment of the 3rd deposit of 20% of the total stand cost + VAT by the 31st of December 2008
- Payment of the balance along with the eventual Registration Fee for each CO-EXHIBITOR by and no later than 31st March 2009.

Art. 25

When the Application Form it is sent along with the documents as sanctioned in article 13, AFIDAMP SERVIZI will send the first invoice. For all other payments an invoice will be issued before the relative due date. Payments must be made via bank transfer by the deadlines written on the Application Form. The Exhibitor will receive confirmation of access to the trade fair, service cards and exit passes upon payment of the entire balance only. For using the assigned space, the exhibitor should submit the settled full payment receipt to the Trade Centre. The Trade Centre entrance is not allowed to those Companies and/or their agents that can not show any settled payment. The payments for other services different from those that are basics must be settled within the Exhibition starting and in any case they must comply with what it is said in each form that the exhibitor can find in the "Exhibitor Manual".

THIRD PARTY, THEFT AND RISK INSURANCE

Art. 26

During opening hours, the Exhibitor is required to ensure that suitable personnel are available at the stand to supply any necessary information with regards to security regulations for the use of machinery, equipment, products and any other practical demonstrations that may be used or carried out. The Exhibitor must also offer the utmost collaboration to avoid damage and accident and must ensure that equipment does not remain switched on or connected to the electricity supply after the daily closure of the exhibition.

Art. 27

Registration fee includes: insurance coverage, parking, inscription in the Catalogue and in the website. All information regarding insurance coverage may be found in the exhibitor's manual. The Exhibitor assumes full responsibility for third party damage (be it personal or property) caused by deed or fault of their own, their employees or collaborators and/or deriving from exhibited merchandise. For more complete protection, the Exhibitor may take steps to insure assets of greater value than the cover provided in the insurance policy and must ensure that the General Secretariat receives a copy of the policy held not later than the 29th of April 2009.

Art. 28

We advise all Exhibitors never to leave personal items or documents, nor small portable equipment exhibited on the stand that may easily be taken without breaking and entering, unguarded at any time during the exhibition period and particularly during the set-up and close down periods. The organising body of "PULIRE 2009", whilst providing a nocturnal surveillance service in the pavilions, accepts no responsibility for theft. For insurance cover: see insurance package and details set out in art. 27.

RESTRICTIONS Art. 29

In order to ensure that PULIRE 2009 operates effectively, the exhibitors are forbidden to:

- a) introduce gas or other materials which may cause explosion, fire or other danger to persons or property, noisy machinery or items which may produce unpleasant odours or cause distress to visitors; use multiple plugs for connection to the electricity supply.
- b) Cause damage to or tamper with materials and structures supplied by the organisers; make holes in or paint walls or floors, remove elements or alter the structure of the stand. In such, cases, Exhibitors will be liable for damages.
- c) Carry out works or clean during visiting hours and deposit rubbish in communal areas.
- d) Remove materials (or leave employees) inside the PULIRE 2009 site during closing hours, outside of authorised scheduling.
- e) Dismantle stands before the final closure of PULIRE 2009.
- f) Call the public with amplifying or musical apparatus or simply using one's own voice; distribute advertising material, present or sell products outside of the exhibitor's area of exhibition; exhibit placards and distribute posters, brochures, samples, leaflets or other material that may cause disturbance or competitive controversy with the other Exhibitors.
- g) Collect signatures, statements, judgements or express and circulate judgements which may seem offensive or critical of State political or social institutions or of other countries and institutions.
- h) Grant free use or sublet all or part of the area of the stand.
- i) Exhibit products that does not correspond with the specialisation of the exhibition.
- l) Any form of occupation of areas outside that of the stand.
- m) Use of the external walls of the pavilion, which will remain entirely at the disposal of the General Secretariat.
- n) Photograph, film, draw or reproduce, in any form, anything within PULIRE 2009, without the written authorisation of the interested exhibitors.

SET-UP AND DISMANTLING

Art. 30

The timings, schedules and technical methods for set-up and dismantling are defined in the Exhibitor's Manual.

Any finishing touches or changes to the stand during the last day of set-up, that continue outside of the established hours, must be carried out with the authorisation of the General Secretariat and with a dedicated security service between evening closing and morning opening times, at the expense and responsibility of the exhibiting company. Requests for any such services must reach the General Secretariat 24 hours before the day of the requested service. Bookings of times on the last day of set-up must be approved by the General Secretariat and will be conceded in exceptional cases only. The costs of such services will be specified in the "Exhibitor's Manual".

The Exhibitor must allow the General Secretariat of PULIRE 2009 to verify the state of the shell scheme stand upon return. Any damage to the property must be settled immediately or before removal of the merchandise and exhibited materials, which Afidamp SERVIZI has the right to withhold.

Art. 31

All exhibitors and/or set-up staff must possess and show their SET-UP/ENTRY PASS to the security staff in the halls before entering the trade fair halls and beginning set-up proceedings. This document is issued by the General Secretariat in accordance with the Accounting Department, UPON PAYMENT OF THE BALANCE OF THE INVOICE FOR THE EXHIBITION PITCHES. For this reason access to the trade fair area will not be permitted to those not in possession of the SET-UP/ENTRY PASS, proving the Exhibitor's timely payment of all invoices. Should the balance of the invoices not be paid, the participant in arrears will lose the right to participate and the General Secretariat, in addition to withholding the deposit paid and claiming the balance due, will consider the exhibition pitch available to rent to another exhibitor or other exhibitors and will apply that which is laid out in article 11.

Payment of SUPPLEMENTARY SERVICES requested subsequently to confirmation of participation and of any expenses that Afidamp Servizi may incur on behalf of the exhibitors must be completed prior to the beginning of the Trade Fair Show. Payment of SUPPLEMENTARY SERVICES requested at the Trade Fair must be effected upon making the request at the General Secretariat's office at the Trade Fair centre in cash, by cheque or by credit card. Upon completion of payment, an EXIT PASS will be issued, which will be necessary to allow the Exhibitor to begin the dismantling of the stand and the removal of exhibited products. Failure to pay the invoiced sums will lead to authorisation of the General Secretariat not to issue the EXIT PASS treating merchandise and set-up materials to be found on the stand of the firm in question with the right to recover losses.

GENERAL CONDUCT REGULATIONS

Art. 32

The Exhibitors are required to conform to the rules in these Regulations and to all other rules made by the Public Safety Authority and the Fire Service, and further to any other technical, disciplinary or general rules and regulations which the organisers of PULIRE 2009 may impose.

- a) Any claims concerning the organisation or the carrying out of PULIRE 2009 will be taken into consideration only if presented in writing to AFIDAMP SERVIZI. Decisions taken by the Board of Directors of AFIDAMP SERVIZI in these matters will not be open to appeal.
- b) Any infraction of the Regulations will cause the immediate exclusion of the Exhibitor, allowing no rights of reimbursement or indemnity of any sort, this will not lead to exemption from responsibility for any damage which this conduct may cause to AFIDAMP SERVIZI, afidampFAB, and/or to third parties.

QUALIFIED JUDICIARY

Art. 33

As agreed in Ex art. 28 c.p.c, the only Judiciary qualified to decide on disputes arising from the interpretation and/or execution of these Regulations is that of Milan in Italy.

INFORMATION AND CONSENSUS TO ITALIAN LEGISLATIVE ORDER 196/03

In accordance with Italian legislative order 196/03, regarding the personal data protection code, Afidamp Servizi s.r.l. (hereafter Afidamp) of Milan, as "Holder" of the right to process data, must provide certain information regarding the use of personal data.

Nature of data

For the purposes of providing services, sensitive data will not be handled. The consensus requested does not relate to any such data.

Purpose of data processing

Personal data will be processed for the purpose of Afidamp institutional activities, in the following areas:

- a) to conclude any exhibition participation contract organised by Afidamp; for carrying out tasks and providing services on the basis of obligations deriving from the contract with Afidamp; The granting of the necessary personal data for such purposes is compulsory and relating data processing does not require any form of consent to be given on behalf of the interested party.
- b) To effect banking and financial transactions and for credit protection through a credit recovery firm, factoring firm and/or credit institute; the granting of the necessary personal data for such purposes is compulsory and relating data processing does not require any form of consent to be given on behalf of the interested party.
- c) To send information and advertising material concerning trade fairs, organised annually by Afidamp or third-parties, to its clients; the granting of the necessary personal data for such purposes is not compulsory.
- d) To verify client satisfaction, either directly or through market research firms; the granting of the necessary personal data for such purposes is not compulsory.
- e) To attract Visitors and Exhibitors to Afidamp exhibitions and events; the granting of the

necessary personal data for such purposes is not compulsory.

- f) To promote services involved in Visitor and Exhibitor sales activity; the granting of the necessary personal data for such purposes is not compulsory.
- g) For purposes connected with legal obligations, regulations, European Community norms, and provisions issued by authorisations legitimised by such (e.g. tax regulations, statistics, etc.). The granting of the necessary personal data for such purposes is compulsory and relating data processing does not require any form of consent to be given on behalf of the interested party.

Data processing methods

Personal data is processed using manual, IT and telematic tools, for purposes strictly related to the above-mentioned points only and in any case, in such a way as to guarantee data protection by means of the adoption of suitable preventative safety measures as set out in Italian legislative order 196/03.

Categories to which data may be communicated

For the purposes of its activity, Afidamp communicates personal data it handles to:

- 1) companies/enterprises/organisations that:
 - a) provide services relating to the exhibitions (technical and logistic services, insurance, etc.);
 - b) print official trade fair catalogues;
 - c) print, envelope, post and deliver communications to clients relating to exhibition participation. These companies take on the role of data processing "manager" or work entirely independently as separate data "holders". Their listings are constantly updated and may be consulted easily and without charge by making a request to Afidamp on telephone number +39 02 6744581 or by consulting the web site www.afidamp.it
- 2) Credit recovery, Factoring firm, to the credit institutes;
- 3) external companies/enterprises/organisations or companies controlled by Afidamp that:
 - a) carry out market research on representative samples of clients on Afidamp's behalf;
 - b) send communications, information and advertising material regarding the trade fairs organised annually by Afidamp or third-parties to its clients, with whom Afidamp has signed specific agreements to this effect;
 - c) promote, as agents, head-hunters or similar figures representing Afidamp, the exhibitions and events organised by Afidamp to Visitors and Exhibitors;
 - d) promote the services involved in Visitor and Exhibitor sales activity on Afidamp's behalf. These companies take on the role of data processing "manager" or work entirely independently as separate data "holders". Their listings are constantly updated and may be consulted easily and without charge by making a request to Afidamp on telephone number +39 02 6744581 or by consulting their web site www.afidamp.it
- 4) "responsible parties" nominated by Afidamp to manage the bureaucratic part of registration for the proposed events, the fulfilment of various contractual obligations assumed by Afidamp within the registration form.

Data diffusion extent

As set out in the General Regulations for participation in the exhibition, should the exhibition participation contract have a positive outcome, Afidamp will provide for the insertion of the contract holder's personal data in the exhibition's Official Catalogue, which will be circulated in Italy and abroad. Afidamp may transmit data provided by Exhibitors by means of input of data into IT applications or the Internet. Such data will allow Visitors and Exhibitors at each individual exhibition to check the position of the stands and obtain information regarding participating Exhibitor's merchandise and/or exhibits.

Rights under article 7 of Italian legislative order 196/03

Finally we would like inform you that article 7 legislative order in question, allows the interested party to exercise specific rights. In particular, the interested party has the right to obtain from the Holder:

- confirmation of whether or not personal data regarding themselves exist, even if not registered and to receive a legible copy of any such data.
 - Evidence of the source of any personal data;
 - evidence of the methods of data processing and the purpose of the data;
 - evidence of the logic applied in the case of computer-assisted data processing;
 - provision of the holder's identification details, as well of those of the data managers and designated representatives according to article 5, sub-section 2;
 - evidence of the individuals/companies or categories to whom personal data may have been transmitted or that may have gained knowledge of such data in the role of sales representative designated to an area of Italy or as managers or responsible parties;
 - the updating, correction or, should the interested party so desire, integration of data;
 - the erasing, transformation into anonymous format or total blocking of any processed data violating the law, including any data it may not be necessary to keep for the purposes for which that data were collected or subsequently processed;
 - attestation that the processes detailed in letters a) and b) and their contents have been brought to the attention of those to whom the data were communicated or transmitted, except in the case in which such action proves impossible or involves an effort of means clearly disproportionate in relation to the rights protected. Furthermore, the interested party has the right to oppose, as a whole or in part:
 - the processing of personal data that regard the said party for legitimate reasons, provided that they be relevant to the purpose of the data collection;
 - the processing of personal data that regard the said party for the purposes of sending advertising material or direct marketing or for market research or sales communications.
